What Is Youth?

What is youth?
A fleeting glance; a state of mind;
A vision caught,
A dream distraught,
A special kind?

What is youth?
A reckless air; a valiant deed;
A furtive tear,
A friendship dear,
A fragile seed?

What is youth?
A cry for love; a search for fame;
An eager clasp,
A desperate grasp,
A carefree game?

Youth is life. A brilliant hour!
And in this life unfurled
Youth is laughter.
Yet soon after,
Youth is the master of the world.

Editor's Message

Lost somewhere between sunrise and sunset,

Four golden years set with many happy days.

Yet, there is no reward offered,

For they are gone forever.

We cannot possibly hope to regain what we have lost or passed by in the last four years here at Fergus County High School. Yet, we must strive to make the most of our future years. Only through strength and determination can we ever reach the goals we have set toward happiness and achievement. This must be the determination to succeed in anything and everything we do, and the strength to withstand the change of the times, and still accept the things we cannot change.

Yet, it is our sincere desire that these four years have not been entirely in vain. Through the wisdom and guidance of our instructors we have gained what seems to be a world of knowledge. Still there are so many other and different worlds that we must conquer as future citizens and leaders.

Principal's Message

The Senior Class of 1965 has moved along the road of knowledge and has reached another stepping-stone. They graduated from high school knowing that they have received more knowledge than any high school senior class before them, but at the same time, realizing that the knowledge they now have is a small percentage of world knowledge.

With this firmly in mind, they must recognize the tremendous need for learning and, as assuredly, the continuous need for education. No one can expect to keep up with the rapid growth of information, but only through continuous education and training can one expect to stay abreast of the society in which he lives. No longer does he dare end his education with a high school diploma or with a college degree. More than ever before, a search for knowledge must be a lifetime journey.

May this graduating class of 1965 be blessed with much of that great light from above, without which no journey can be successfully completed.

W. H. Rafter

Our Dedication

In the fall of 1956 a new instructor was hired to teach vocal music and mathematics. In the years that followed, his influence was felt by many students of Fergus County High School. Fergus singing groups became known throughout the state for their singing ability, and many concerts were given over the years.

In 1961 this teacher was appointed assistant principal and his influence began to be felt by even more students. He was always ready with advice and sometimes stern discipline, whatever seemed to be needed at the moment. This year he was a Senior class sponsor and student council advisor. His presence and ability will be missed next year as he moves up in the teaching profession to become principal of Libby High School.

The staff of the 1965 Golden Eagle is proud to dedicate this annual to Mr. Raymond Haugen, advisor--teacher--friend.

Senior Class History

The class of 1965 entered the hallowed halls of Fergus County High School four short years ago. We were united in a determined spirit in all phases of high school life. Our freshman year thus marked our ascent to success.

One hundred and ninety-four able bodied students entered into their academic careers early in September, 1961. Gus Schultz led our class as president. Fifteen boys added their strength to the FFA, while thirteen girls participated in GAA. Twenty-two new faces shone from behind the music stands in band and ten vocalists blended their voices to intensify the A Cappella Choir. The FHA was reinforced by twenty-four freshman girls. Coach Cass steered thirty industrious freshman boys to a perfect football season. We lowly frosh knelt before the mighty seniors and chanted our little verse in loud melodious voices. The girls and boys had to wear the usual ridiculous looking costumes for initiation. Loaded with brooms and buckets we journeyed to the "F" to give it its annual face lifting. Finally after struggling and studying we became full-fledged sophomores.

Our sophomore class led the enrollment sheets with 213 members, led by Ed Eck, our class president. Many offices were held by the mighty sophomores in the various clubs of Fergus. Joe Moseman, Richard Reilly and Gerald Flowers contributed their muscle and hustle to the varsity football squad and were awarded letters. During the season 15 hard fighting boys were coached by Mr. Anderson on the B squad. Basketball action saw 13 boys play on the JV team. Dick Smith was promoted to the varsity and earned a letter. Joe Moseman, Gus Schultz, and Mickey Cheatham received letters for participation in track. Mickey Cheatham, Ed Eck, Mike Morrison, Dave Sather and Harry Wicks were included in the speech awards. We began that fall by devoting time and effort to our homecoming float, the production of 3 one-act plays and the vaudeville show.

Our junior year began under the able hands of President Ed Eck. Our capable leadership was not to be doubted. Eleven juniors actively participated on the annual staff and twelve junior girls took part in library science. Ed Eck, Fergus editor, led eleven energetic journalists on the paper staff. Many other clubs had junior officers. Twelve juniors made the varsity football team. Our F club now contained twelve juniors. Mary Martha Abbott, Susan Tuss, Diane Jensen and Barb Orleman were chosen as Girls' State delegates. Jim Simons, Mike Strouf, Jim Wysel, Mickey Peterson, Les Mauws, Alan Warneke, Dave Thomas and Gus Schultz represented Fergus at Boys' State. Mike Strouf was elected Sed. of State, the highest office ever held by a Fergus student. The spring election returns brought Ed Eck, Mike Strouf and Susan Tuss to the position of leadership of the student body.

Returning in the fall to resume our last year of high school, we numbered 156 strong. We were now at our peak of success in all phases of activity. Our clubs were led by many senior presidents. The class of "65" elected Jim Simons president, Dave Cripps vice-pres., Mary Martha Abbott sec.-treas., and Jim Wysel and Keith Cook council representatives, to lead our class in its final year. The homecoming festivities were high-lighted by the crowning of queen Carol Carter and king Jim Wysel. Susan Tuss and Ed Eck accompanied the royalty as princess and prince. "The Mouse That Roared" was the senior class play. Twenty-eight cast members brought about its success through hard and long hours of practice. Barb Matthews, Mike Morrison, Jim Simons and Neil Hamilton had the leads. Janet d'Autremont reigned as queen of the Sno-ball. Winter wonderland was the appropriate theme. Through the efforts of Jim Simons a Key Club was formed in the latter part of the year. This nationally recognized club will surely add to a more productive student body at Fergus. One hundred and fifty-two graduating began to prepare for the final events that would mark their exit from these hallowed halls. We the class of "65" bid you farewell only after expressing our thanks to the administration of Fergus for their cooperation and guidance, and leave you with this thought. "Our outstanding record will remain even after we have been forgotten."

The Senior Breakfast was held at the Yogo

Our bright eyed senior girls anxiously await admission to the dining room.

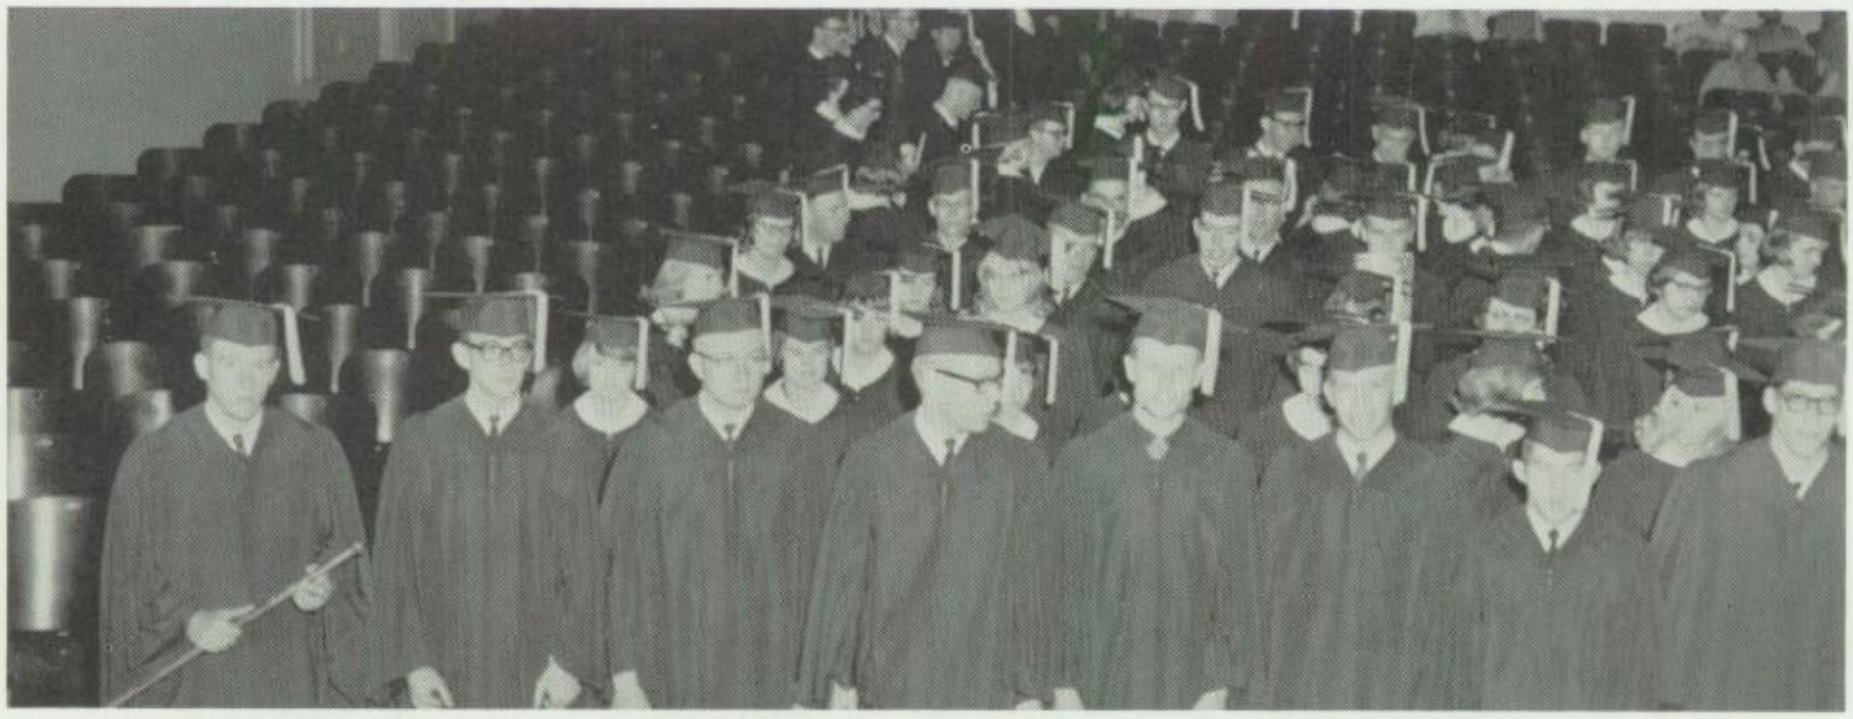
Notice the sad looks on some of the faces.

We're all here; bring on the breakfast or we will be late for school.

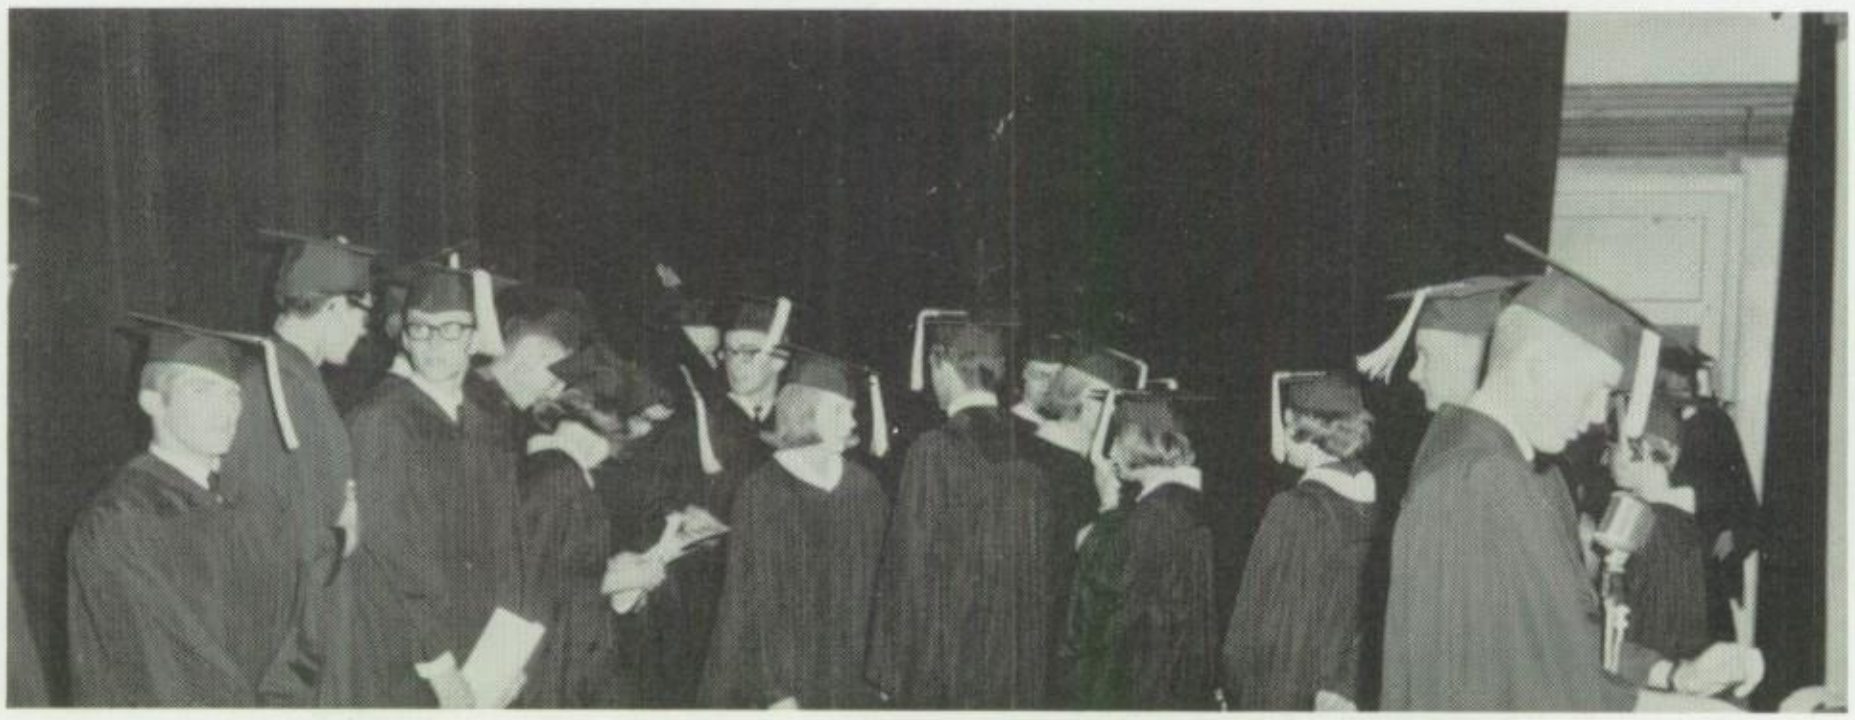
This was almost the last Senior parade.

OOP'S Watch those stairs!

Around one of the last corners that will be turned at Fergus during your school years.



The mighty seniors are filing in ready to take seats for their program.



Lining the stage for the passing of the baton of authority takes place.

These two students kept up high scholastic standards throughout their school careers. All through their years of education it was uncertain which one would finish at the top of the class. Only in the last few months of school was this decided.

Mickey Petersen was awarded a scholarship to St. Olaf College. August Schultz was awarded a National Merit Scholarship and will attend college in California.

Fergus Celebrates Sadie Hawkins Day.

Every spring on Sadie Hawkin's Day the students dress up in an attempt to impersonate Lil' Abner and Daisy Mae. An assembly was also held at which varsity cheerleaders for 65-66 were elected.

After the chase is over and the gals have finally caught their favorite guys, the gals treat their catch to a dance which is held in the gym and is sponsored by the Sophomore class.

Glenn Wysel, Shirley Mosby, Leslie Rung, and Jack Leininger wait patiently in front of the cider stand for their turn at the cider jug.

ROW THREE, L to R: Jim Wysel, Mark Jones, Mike Strouf, Stuart Jones, Harry Wicks, Pete Flotlin, Keith Cook, Ed Eck, and Alan Warneke.

OFFICERS

L to R: Susan Tuss, Secretary-Treasurer; Mike Strouf, Vice-President; and Ed Eck, President.

The Student Council is made up of representatives from every class and club. It sets up the rules and regulations for clubs, classes, and students, and sponsors dances and other worthwhile projects. It also legislates and enforces parking regulations. It gives the students a chance to take part in the actions of a governing body and to learn about government in action.

Library Science

FRONT ROW, L to R: Barbara Clarke, Christine Huffine, Janice Petersen, Sharyn Homberger, Kathy Williams, and Linda Goff. ROW TWO, L to R: Carol Gordon, Carolyn Williams, Judy Blake, Mona Knuth, Cathy Merchant, and Beverly Brandt.

The library science consists of students at Fergus who do work behind the scenes. This year they have accomplished many things. These girls have helped Mrs. Kent catalogue books and magazines, find reference material for students, and act as librarians during study periods. It is the responsibility of the members of library science to be cheerful and helpful to everyone who goes into the library.

Claws

Claws is an honorary group composed of Juniors and Seniors maintaining a 'B' average or higher. They are selected according to academic achievement and citizenship. Nominations for membership are made at the beginning of their Junior year and the new members are selected by the faculty. Members help at all athletic events and many other activities.

Claws is actually a service club, helping toward the betterment of FCHS.

FRONT ROW, L to R: Paula Linehan, Donna Abbott, Karen Kowatch, Susan Shaver, Sue Anderson, Diane Jensen. The staff of the "Golden Eagle" has worked extremely hard this year to produce a different and better annual. This is the first year that an annual has been published bearing a cover designed by one of the students at Fergus. Every year the annual is financed by a sale of advertisements to the local business establishments and an annual subscription sale to the students.

The Fergus Staff learns most aspects of a newspaper

FIRST SEMESTER

L to R: Pat McDonnell, Jim Simons, Don Best, Gary Murphy, Mike Strouf, Tim Pentecost, Duane McCollum, and Ed Oslar.

L to R: Sue Manuel, Sharon Smith, Susan Stark, Janice Petersen, Judy Martin, Louise Isaacs, and Karen Apple.

These ambitious journalism students were responsible for putting out a four page newspaper every two weeks. They were responsible for all the functions of printing stories, typing them, selling ads, laying out pages, and running the offset press. Preserving the news of the school, promoting constructive action, and entertaining the students and teachers are the ideals that guided this journalism class as they published the "Fergus".

The Fergus of Lewistown chapter of the FFA this year has the largest membership in its history. FFA is an integral part of Vocational Agriculture where boys study to learn the approved and new methods in agriculture so they will be better suited for farming or ranching and agriculturally related occupations.

The Fergus Chapter again undertook their spice sale which was very successful, the proceeds of which go to finance the annual Parent & Son Banquet. Their other big undertaking was hosting the Judith Basin District FFA convention.

French Club

French Club was organized two years ago. Its main objectives are to give the students experience in the usage of the language and to create a better understanding of the French people and their way of living.

The usually informal meetings were attended by several guest speakers. Various games played helped members to learn the language, also.

FRONT ROW, L to R: Carol Polansky, Linda Leap, Pam Peck, Tracey Bechtel, Patty Anderson, Joanie Ruckman, and Paula Linehan. ROW TWO, L to R: Sherry Smith, Jean Brunemeyer, Linda Leary, Susan Cleveland, Leslie Rung, Pattie Linehan, and Karen Smith.

German Club

German Club is in its fourth year as a club and it is doing very well. It helps the students to learn more intimate facts about Germany, its people, and its language. It gives these students a chance to get together and have fun and learn something at the same time.

FRONT ROW, L to R: Leslie Rahn, Pat Conard, Vickie Parker, and Linda Weed. ROW TWO, L to R: Bud Bunting, Linda Youderian, Charles Bardwell, Peggy Wagner, and Carla Mallon. ROW THREE, L to R: Gene Munson, Ernest Kolar, Jim Simons, David Clark, Georgiann Singley, and Ken Vander Ven.

THIRD ROW, L to R: Toby Machler, David Thomas, Bill DeLapp, Harry Wicks, Pete Nelson, Mickey Peterson, and Jim Simons.

The Key Club is Fergus' newest organization, since it was started only this year under the sponsorship of the local Kiwanis Club. The Fergus of Lewistown Key Club is only one chapter of an international organization, and is a high school service club. It is composed of the "key" youth of the school who are selected from the sophomore through senior classes. It serves the community as well as the school in maintenance, by officiating at certain events, and by initiating new programs and facilities at Fergus High. Its motto is "We Build," and for its members it is a drill ground for community leadership.

ROW THREE, L to R: Barbara Orleman, Linda Leary, Carol Coleman, Francis Fisher, Stewart Haegen, Harry Wicks, Susan Cleveland, Tim Burleigh, Robert Rozell, Dean DeGraw.

This year the Thespian troop #701 has been very active. They have added several new members to their membership roster, attended a drama workshop in Billings, presented a "Hillbilly" play, and assisted in producing the Junior, Senior, and all-school plays. The troop initiated ten new members this year as full fledged Thespians and awarded letters and stars to the hard working members of the troop.

Flag Twirlers

Marching, twirling flags, and waving pom-poms are the three main activities of this group of good looking girls. Many hard, enduring hours were spent by the girls on perfecting their routines. This year the Flag Twirlers journeyed to the Division I Basketball Tournament and presented one of their very fine routines. They also twirled at several of the home football and basketball games this year. Congratulations to the 1964-65 group of Flag Twirlers on a job well done.

Baton Twirlers

Precision, marching, and flashing batons are proof of the hard work and time put in by this group of FCHS Baton Twirlers. They provided entertainment for home football and basketball games and marched in the Homecoming parade. They also sponsored dances to help pay for their new, flashy red and white uniforms, which were worn while twirling during Christmas and on Valentine's Day.

The major activities of the F. C. H. S. band include playing at football games, participating in the district music festival, and marching in various parades. The pep band plays for all home games and attended the Division 1 basketball tournament in Billings. A Christmas and a Spring concert are presented with the choir each year.

The band sent its two brass sextettes, brass quintet, trombone quartet, clarinet duet, a flute soloist, and a trumpet soloist to the state music festival in Billings, May 7th and 8th. Five students were chosen for all-state band, which is at the state music festival also. They were Martha Abbott, Betty Bishop, Harmony Warren, Mike Graham, and Jean Casey.

The band received a 1 rating at the district music festival held at Fergus, April 9th and 10th.

Fergus Wins Championship

The 1964 football season was a great one for Fergus County High School. For the first time in the known history of the school, the Eagles won a football championship. After a long, hard season they were crowned Eastern Division champions. To add further icing to the cake, they were the only undefeated team in Class A football.

After the early days of conditioning and practice, the varsity was set with 12 juniors and 13 seniors. One week after school began Fergus played Park of Livingston, and the quest for a championship was on. The Eagles outplayed the Rangers in all departments and won their first game by a score of 42 to 0.

FERGUS WINS NEXT TWO GAMES

The next non-conference game was played at Laurel, and the Eagles came home with their second straight victory. They whitewashed the Locomotives 19-0. Fergus opened its conference season with a tough game in Glendive. Once again the Eagle defense was tough and the Fergus goal line remained uncrossed, as they defeated the Red Devils 20-0.

FERGUS STILL UNSCORED ON

The question in Lewistown peoples' minds now began to be, "How long can the unscored on record last?" The pressure began to build up. Fergus remained rather low in the power ratings, as the sports writers seemed to think their three game winning streak was a fluke, and when they met a tough team they would lose. The Wolf Point Wolves provided the next opposition. Sparked by their 245 lb. fullback, they were also undefeated. On a cold, snowy evening the Fergus Eagles met the challenge. Holding the big fullback to short yardage and mounting two big offensive drives of their own, the Eagles continued to roll on by a score of 13-0.

FIRST SCORE AGAINST EAGLES

The bubble of an unscored on season vanished with the next game at Sidney, as the Sidney Eagles jumped off to a 13-7 lead over the visiting Fergus Eagles. Toughening up in the second half, however, the Fergus team came from behind to wrap up the 21-13 victory.

Fergus entertained the Glasgow Scotties for their annual homecoming game. The Scotties, rolling over all opposition by large scores, were favored in most polls to hand the upstart Eagles their first defeat and put them in their place among the also-rans. In a brilliant show of defensive power, however, Fergus stopped the high scoring machine from Glasgow and

came off the field with a 7-6 victory. This game was picked by many forecasters and coaches as the game which would decide the division championship, and the prediction held true.

Not to be stopped in their quest for their first championship, Fergus traveled to Miles City and defeated the Custer Cowboys handily 21-7. Holding the lead all the way, the Eagles were never threatened in racking up their seventh victory of the season.

EAGLES CINCH CONFERENCE CROWN

Taking a break from conference action, the Eagles next went to Anaconda to take on the Copperheads in a non-league game. For the second year in a row, they beat the Anaconda team by coming off the field on the long end of a 13-7 score.

Needing only one more win to cinch the conference championship and an undefeated season, the Fergus Eagles rose to great heights and swamped Havre 27-0 in Havre.

The Eagles actually set up a twelve game winning streak, as they won their last three games last year and all nine games this season. They scored five shutouts this season and scored 183 points while holding opponents to 32. This was a season of team-work and hustle. It was a team victory all the way.

Named to various all-state teams were Jim Wysel, Joe Moseman, Dick Reilly, Doug Wood, John Fleharty, and Dave Sather. Jim Wysel was captain and was named most valuable player for the year. Coach Don Perkins was named Coach of the Year. This was undoubtedly Fergus County High School's greatest football season and sets a great challenge to teams of the future.

The Fergus Varsity won 4th in tournament.

BASKETBALL SEASON

Basketball tryouts were held early in November with approximately fifty boys turning out. After extensive drills and observance, thirteen boys were chosen for the varsity, and practice got underway in preparation for the season opener against Helena on November 27.

Fergus had overall good height but lacked an experienced "big" man. Inexperience seemed to be the biggest problem as the season got underway. The Eagles got off to a slow start, dropping their first two games to Helena and Hardin. At the Christmas break their record stood at 2 wins and 6 losses. They just couldn't seem to win the close ones. They kept up their spirit and drive, never giving up, and ended the season with a record of 8 wins and 13 losses.

In the divisional tournament the Eagles were ceded 8th and had to meet Billings Central in the

first game. They lost the game to the Rams and lost the services of center, Larry Grinde, who severely sprained an ankle. The Eagles fought back and battled their way into the consolation finals by defeating Helena and Havre. In a thrilling, overtime contest they were edged by the Laurel Locomotives in the battle for 3rd and 4th.

The "B" Squad promises some good material for the varsity next year. They ended the season with a fine 13-6 record. Teamwork was the key to many victories for them.

The sophomore JV team gained much valuable experience this year. In addition they posted a commendable 9-6 record for the season. Two JV records were set. Dan Reilly with 217 points and Kits Smith with a 16 point per game average are the record holders.

The Freshman team had an 8-6 record.

TRACK HIGH LIGHTS OF 1965

The Fergus track team faced many adversities during the 1965 track season. Probably the greatest disadvantage that the boys had to endure was the fact that they had no track to practice on.

The next hardship they had to face was a wet, cold spring with very few days that were good for track practice. In spite of all the hardships, the hardy Fergus track team went to the divisional meet at Glendive full of spirit and fight. A team of 20 boys made the trip.

Gus Schultz, Dave Koontz, Doug Wood, and Mike Strouf qualified to go to the Interscholastic Meet in Missoula. The relay team finished second to Glasgow, but through an unfortunate incident involving a coach from another school, acting as judge, they were disqualified.

The team capped the season by earning only five points in Missoula, as Schultz and Wood were the only members to place.

A high point in every Junior's life is the selection by the faculty and classmates of the delegates to Girls' and Boys' State. These students are selected on the basic requirements of leadership and personality.

Delegates learn the fundamentals of local and state governments by actually taking part in mock elections.

With the knowledge they have gained by the first-hand experience of running a government, they return home ready to take a greater part in civic affairs.

COAST-TO-COAST STORES
"Where your dollar buys the most." Everything for the farm, home and car at large savings in our twelve complete departments.

PENNEY'S

"ALWAYS FIRST QUALITY!"

Behind your pharmacist's ability to serve you is the nation's pharmaceutical industry, which each year places several hundred new drug products in the service of better health. Just one of them, recently developed, required four years of research costing millions of dollars. It was studied by more than 200 physicians in 4,500 patients. The report on its safety and effectiveness filled 27 volumes with 14,000 pages of facts.

As members of the health team serving you, your druggist and the pharmaceutical houses safeguard your well-being by anticipating your health needs.

So when the unexpected occurs, your pharmacist is ready.

COST TO EDUCATE: $5,520

The cost of educating one Montana child has doubled in the last 15 years. Today it costs $5,520 to send one child from the first grade through public high school.

Where does the money come from to educate our children, build our schools and pay our teachers? From taxes — both individual and business.

Last year, for example, nearly 3 million dollars of the taxes Montana Power paid went directly into education.

That's enough money to educate 6,500 for a full school year. Or it would build 150 new classrooms, buy 750,000 textbooks or pay the salaries of 611 teachers for a full year.

None of our tax money was more wisely invested. For it helps to stimulate and enlighten the minds of our young people.

In their hands rests the future of our state.
